

THE ADVENTURES OF PIRATE PETE

AND THE
LOST FAIRY TREASURE

TEELIE TURNER

Getting the treasure back to the fairies was not as easy as I might have hoped it would be. As our journey continued, a storm began to brew; with clouds, deep and dark, gathering rapidly, and thunderbolts crossing the sky The sea became choppy, and every creak of the ship's boards made us think that the ship threatened to splinter into pieces. It was one of the worst that I have ever seen.
